## 1. Introduction

---

This document describes the Corporate Actions of NYSE Group Listings product and provides detailed information regarding delivery time of the data, file names, layouts, SFTP, and S3 directory structures. NYSE Group includes NYSE, NYSE American and NYSE Arca and NYSE Texas content.

## 2. Corporate Actions of NYSE Group Listings Product Structure

---

The Corporate Actions of NYSE Group Listings product is comprised of several reports and provides information for equities listed on the New York Stock Exchange (“NYSE”), NYSE American (“NYSE American”), NYSE Arca (“NYSE Arca”) and NYSE Texas (“NYSE Texas”) market centres, including, but not limited to, new listings (for example IPOs, spin-offs and structured product listings), corporate actions, cash dividends, proxy related matters, and so forth.

### 2.1 Distributions of NYSE Group Listings

The Distributions reports provide dividend information created by the Corporate Actions of NYSE Group Listings team covering NYSE, NYSE American, NYSE Arca and NYSE Texas markets (NYSE Group). The intraday reports are provided throughout the day in Text, Microsoft Excel, and XML formats and can be delivered by email, SFTP, S3 or downloaded from our website (HTTP). Additionally, start of day and end of day summary reports are available to clients that wish to receive a consolidated list of this information.

### 2.2 NYSE Group Ex-Date Distributions

The Ex-Date Distributions report distributes a complete listing of Dividends for NYSE Group (dividends, stock splits, spin-offs and so forth) two days prior the “Ex-Date” where “Ex-Date” is Record Date minus two trading days (unless otherwise directed). The file, created by the end of the day, is available in Text, Microsoft Excel and XML formats and can be delivered by email, SFTP, S3 or downloaded from our website (HTTP).

### 2.3 Info Notices

Info Notices about spin-offs and other new listings and corporate actions (mergers & acquisitions, name and symbol changes, tender offers, stock splits, special trading markets: “When-Issue”, “Ex-Distribution”, “When-Distributed” and so forth) are created by the Corporate Actions of NYSE Group Listings team and cover NYSE, NYSE American, NYSE Arca and NYSE Texas markets. Info Notices provide a window into the life of a corporate actions event and are distributed throughout the day in Text format and can be delivered by email, SFTP, S3 or downloaded from our website (HTTP).

### 2.4 Ticker Notices

Ticker Notices are summaries of timely new listings (IPOs, spin-offs, structured product listings and so forth), special trading markets and corporate actions information such as mergers, stock splits, rights offering, tender/exchange offers, redemptions, name and symbol changes for NYSE Group-listed issues. Ticker Notices are distributed intraday in Text and Microsoft Excel formats and can be delivered by email, SFTP, S3 or downloaded from our website (HTTP). Start of day and end of day summary reports will be available.

**Table 4 Notice Types – InfoNotices**

Notice Type	Description
<b>Bond Maturity</b>	Date at which point the listed issue, specifically Exchange-traded Notes, and all rights, are extinguished and the issue no longer exists.
<b>Business Combination</b>	Combination between a special purpose acquisition company (SPAC) and another operating company, which is also known as a de-SPAC transaction.
<b>Business Reorganization</b>	The Issuing Entity's business structure is changing.
<b>Call for Redemption</b>	The act of an issuer repurchasing a fixed income issue or convertible issue at or before maturity.
<b>Change - Reclassified</b>	Issuer changes the class designation of its issue's shares.
<b>Change in Domicile</b>	Company changes the state/country of its formation to a different state/company.
<b>Change in Name/Symbol/CUSIP</b>	Company is undergoing a change to its name and/or change to the symbol of 1 or all of its issues and/or change to the CUSIP of 1 or all of its issues.
<b>Change in Terms</b>	Issuer changes the terms applicable to 1 of its issues. The change can be a change in Conversion Ratio, change in Exercise Price, change in Expiration Date, change in Par Value, change in Round-Lot Aspect of Trading.
<b>Change in Underlying Share Ratio</b>	Foreign company changes the ratio of the ADR Issue's share to foreign issue's share.
<b>Conversion</b>	Terms of converting an issue typically of a target company to a cash and/or stock of the acquiring company.
<b>Conversion - Mandatory</b>	TBD
<b>Conversion to Open-End Investment Company</b>	TBD
<b>Dividend - Due-Bills</b>	Company informs the market that a dividend declaration is accompanied with due bills. Due bills are promissory notes and resolve the problem of ensuring that the correct owner receives a stock's dividend when the stock is traded near its ex-dividend date.
<b>Initial Public Offering</b>	The act of offering the stock of a company on a public stock exchange for the first time.

<b>Liquidation</b>	Event that usually occurs when a company is insolvent. The company's operations are brought to an end, and its assets are divided up among creditors and shareholders, according to the priority of their claims.
<b>Mandatory Exchange</b>	TBD
<b>Maturity</b>	The Issuer of a bond agrees to repay investors the original sum loaned at the bond's maturity date.
<b>Merger</b>	The combining of two or more companies, generally by offering the stockholders of one company securities in the acquiring company in exchange for the surrender of their stock.
<b>New Listed Bond</b>	Admitting a new bond for the first time.
<b>New Listing</b>	Admitting a new security for the first time that is not an IPO. Excludes bonds.
<b>Offer to Purchase</b>	TBD
<b>Other</b>	A corporate action event that impacts the Issuer and its securities and the event does not fit the description of the other notice types in list.
<b>Reverse Stock Split</b>	A corporate action in which a company reduces the total number of its outstanding shares. A reverse stock split involves the company dividing its current shares by a number such as 5 or 10, which would be called a 1-for-5 or 1-for-10 split, respectively.
<b>Rights Offering</b>	Company issues a rights offering (issue). This issue is an issue of rights to a company's existing shareholders that entitles them to buy additional shares directly from the company in proportion to their existing holdings, within a fixed time period. In a rights offering, the subscription price at which each share may be purchased is generally at a discount to the current market price.
<b>Securities Separation</b>	The existing shares of issue are technically suspended and re-admitted under a new CUSIP reflecting as a new security.
<b>Spin-Off</b>	A type of business divestiture where an independent company is created through the sale or distribution of new shares of an existing business or division of a parent company.
<b>Stock Distribution</b>	Stock dividend payment.
<b>Stock Split</b>	A corporate action in which a company divides its existing shares into multiple shares. Although the number of shares outstanding increases by a specific multiple, the total dollar value of the shares remains the same compared to pre-split amounts, because the split did not add any real value.

<b>Suspend - For Cause</b>	An issuer fails the listing markets compliance requirements on qualitative and/or financial grounds and NYSE initiates the suspension of the issue(s) of the Issuer.
<b>Termination</b>	Informing investor community that they can receive proportionate share of a Unit Investment Trust's net assets. Termination is based on the investments held in the Unit Investment Trust's portfolio. For example, a portfolio that holds bonds may have a bond ladder consisting of five-, 10- and 20-year bonds. The portfolio would be set to terminate when the 20-year bonds reach maturity.
<b>Voluntary Delisting</b>	This Corporate Action event might occur if a company is acquired or goes private or if the Company's issues are being transferred to another market outside of NYSE, NYSE American, NYSE ARCA.
<b>Expiration</b>	Informing the market of the expiration date on an issue (e.g. Warrant). In the case of a warrant, the expiration date is the last day the rights of a warrant can be executed
